

FOCUS ON INTERACTION

IMPROVE YOUR CONFIDENCE WHEN INTERACTING IN ENGLISH

This semester, EPPIC presents eight new workshops that focus on communicating in real time. Join us to learn more about interacting in American English, including cultural information, commonly used phrases, and pronunciation tips. Each session includes lecture content and practice time. Participants can attend any number of workshops: one, some, or all!

Everyday Situations

February 3–What Americans Say: Slang and Idioms in the United States

February 10–How Americans Chat: Small Talk in the United States

February 17–Talking with Americans: Successful Conversations in the United States

February 24–Socializing with Friends: Sharing Opinions and Complaining

Academic and Professional Situations

March 1–Participating in Discussions: Agreeing and Disagreeing

March 8–Talking with Your Audience: Interacting During Presentations

March 22–Communicating with Professors and Peers: Shifting Between Informal and Formal Talk

April 5–Networking: Breaking the Ice at a Professional Event

5:00–7:00 P.M. // ONLINE VIA ZOOM
