Faculty Focus: Supporting Multilingual Student Writers

This workshop series for faculty and instructors offers research-based perspectives and practices that promote growth and success in academic writing among multilingual students who may use English as a second language, or who may be new to writing in a specific academic discipline or genre. The concepts and approaches presented in this series are applicable across a range of academic fields and teaching contexts.

Beyond Grammar: Teaching Writing as Genre to Multilingual Students

Wednesday, February 24, Noon–1:10 p.m.

Beyond Editing: Giving Effective Feedback to Multilingual Student Writers

Wednesday, March 10, Noon–1:10 p.m.

Beyond Topics: Designing Assignments that Scaffold Good Writing

Wednesday, March 24, Noon–1:10 p.m.
